REPORT ON "IMMUNITY AT THE TOP GEAR"-ONLINE QUIZ

The Department of PG Studies in Food Science and Nutrition organized a state-level online quiz competition titled "Immunity at the Top Gear" on account of World Immunization Week which is celebrated every year in the last week of April (24th to 30th).

OBJECTIVE

- To encourage students to look beyond their textual knowledge and enhance knowledge on the benefits of immunization and the importance of including immune-building foods in regular diet

OUTCOME

- The quiz helped the students to assess their knowledge of the importance of immunization, foods that promote health, steps taken by the Indian government to promote immunity building in the population

REPORT

The state-level online quiz was held during the last week of April 2023(24th to 30th) through the online Google form link <https://forms.gle/69uRGkoAe4Jzu6Qd7>. The link was shared with degree students from various colleges. Overall 45 students participated in the quiz. On completion of the quiz with minimal passing marks 50 an e- certificate was mailed to the registered mail id.
