

BESANT WOMEN'S COLLEGE

A PROFILE OF THE

DEPARTMENT OF ECONOMICS

WORK CULTURE IN THE DEPARTMENT

With the above objectives in view, the teachers adopt innovative methods in the class room like PPT classes, seminar presentation by students, group study, regular tests, quiz, project preparation etc.

- In striving for excellence innovative methods of teaching are used by the teachers.
- Lecture as well as interaction with the students is done both in English and Kannada
- Students are encouraged to refer standard books and then prepare notes for relevant topics.
- Books are made available to the students from the college library as well as from the department library. Continuous guidance is given in the selection of books.
- Seminars and group discussions are conducted frequently to enable the students to gain confidence and acquire knowledge in the subject.
- Current events are discussed in the classroom with special focus on important day to day economic events and policies.
- Since result is the yardstick of the quality of any institution, attempts are made to identify the slow learner's special attention is given to such students by giving remedial classes and thereby improve their performance.
- Periodic tests both oral and written are conducted, assignments are given to the students to assess their performance continuously.
- Question banks are discussed in the classroom. Students are guided to frame answers for various questions in a systematic way. Important and difficult topics are revised for a better understanding

Combinations offered with Economics in B.A. degree Course:

1. History, Economics
2. Secretarial Practice, Economics

Course Outcome:

1. Students will be able to understand economic vocabulary, methodologies, tools and analysis procedures
