Department of Computer Application & Computer Science					
SL.NO	DATE/YEAR	ACTIVITY	NO OF STUDENTS	OUTCOME/ RESULTS	LINK
1.	November 7, 2022	COLLEGE UNION ELECTION THROUGH E-VOTING (2022-23)	All students of the College Participated in e-voting	A unique software used for electing President, Secretary and joint Secretary was taken by the students. The students understood the coding aspect of voting and the other students understood how a voting machine works, to select the candidates.	View
2.	October 18, 2022	Valedictory program of Basic Computer Literacy: Dept. of Sociology & Dept. of Economics	45	The students were given a computer literacy programme and certificates were awarded. This programme acted as a bridge course for BCA and other Students from other disciplines.	View

3.	Feb. 23, 2022	Guest Lecture on Cyber Security-2022: Dept. of BCA	50	The essential of staying safe on internet was understood	View
4.	Jan 31 - Feb 5, 2022	Competition on Video Creation and Editing: Dept. of Computer Applications 2022	17	The students got an idea to consider important event to be videographer	View
5.	Feb. 3, 2022	Orientation given to BCA Students on Computer Network using NETSIM: Dept. of Computer Application 2022	42	The gist of the Networking programme was provided. The students understood the importance of learning Computer Networking	View
6.	Feb. 2, 2022	Inauguration of the Certificate Course in Basic 'Computer Literacy'2021-22: Dept. of Sociology & Dept. of Computer Application	45	The students leant the essential of computers – Software and Hardware concepts	View
7.	November 13, 2021	COLLEGE UNION ELECTION THROUGH E-VOTING (2021-22)	All students of the College participated	The students got awareness of Digital Voting.	View
8.	Sept. 30, 2021	National level E-quiz on the basics of computer science: Dept of CSc & BCA	350	The speed of thinking beyond the curriculum was highlighted	View
9.	March 9, 2021	Fundamentals of Computing for non-computer students: Dept of CSc & BCA	35	The students without any computer knowledge were given computer know-how	View
10.	Feb. 5, 2021	E-Voting Software developed for college union election: Dept. of Computer Science 2020-2021		A unique software used for electing President, Secretary and joint Secretary was taken by the students. The students understood the coding aspect of	View

				voting and the other students understood how a voting machine works, to select the candidates.	
11.	Aug. 3, 2020	National level E-quiz on the basics of Computer science and IT: Dept. of C.Sc. & BCA	450	Students learnt the concept of lateral thinking – Thinking out of the box	View
12.	August 3, 2020	INTERNATIONAL LEVEL STUDENT CAREER DEVELOPMENT WEBINAR: Depts. of SP , C.Sc. and BCA	432	Managing priorities, Acquiring leadership skills to overall personality Devt.	View
13.	July 3, 2020	International Webinar on "Coping with Covid-19 with a Perfect and Balanced Mind": Depts. of SP, C.Sc. and BCA	500	Staying healthy and to get free from panic and mental stress. Time management during covid-19	View
14.	June 10, 2020	National Webinar-2020 on topic "Explore your mind during Pandemic Crisis": Depts. of SP , C.Sc. and BCA	623	Mind mapping skill, Balancing mind during pandemic crisis.	View
15.	Jan. 24, 2020	Data Security Training: Dept. of Computer Science 2019-2020	35	The students were exposed to the vulnerability of internet and mobile usage.	View
16.	Jan. 10, 2020	Career in Emerging Technologies – Grid Computing: Dept. of Computer Science 2019-2020	30	Latest technologies were introduced which the students understood as an career opportunity	View
17.	Aug. 13, 2019	Awareness on Online Tests: Dept. of Computer Science 2019-2020	25	Students understood the answering of online tests which are given as aptitude tests	View
18.	Aug. 2, 2019	"Know Your Computer Hardware"	20	A programme to make the students aware of the	View

		2019- - Dept. of Computer Science & DP		hardware concepts of a computer	
19.	July 30, 2019	Online Aptitude Awareness Programme: Dept. of Computer Science and Mathematics	20	Aptitude tests were provided to make the mind sharper so that it can think at the speed of lightening	[View](#)
20.	February 12, 2019	Talk on "Cyber Security" : R&D Cell and Dept. of Science	50	The students could apprehend the ways to protect themselves on the net.	[View](#)
	February 4, 2019	Animation, Video editing and Visual effects Workshop: Career Guidance and Training Association	30	The students were thrilled to learn the wonders of AI and Video Editing	[View](#)
21.	July 2, 2019	E-Voting Software developed for college union election: Dept. of Computer Science & DP 2019-2020	All the students of the College participated	Aware on the voting process to select candidates for President, Secretary and Joint secretary. The students took a deep look into the coding aspects of e-voting	[View](#)
22.	September 1, 2018	Visit to Shree Devi College of Technology 2018	30	The students were exposed to variety of projects that could be sone using IT	[View](#)
23.	Aug. 31, 2018	"Know Your Computer Hardware" - Dept. of DP	30	Hardware Awareness was achieved	[View](#)
24.	August 1, 2018	Visit to Ave Maria Palliative Care	30	The students were taught to show compassion towards the people suffering from fatal diseases waiting for their end.	[View](#)

25.	July 18, 2018	Awareness on Online Tests-Dept. Computer Science and Mathematics	50	Students got an awareness to handle competitive exams. They understood the Dos and don'ts while answering the Online tests.	View
26.	July 12, 2018	Student Union election for the academic year 2018-2019 conducted through E-Voting	The entire college took part in the programme.	Understood the concepts of digital voting	View
27.	February 28, 2018	Management Fest / Science Fest/Cultural Fest-Inter Collegiate Activities	15 teams	The students from other colleges in the vicinity of our college to showcase their talents and help to expose the talents of our students.	View
28.	Dec. 16, 2017	"Certificate Course in Adobe InDesign"	20	Creation of Newspaper, brochures, menu lists, Wall Magazine etc were taught	View
29.	Oct. 6, 2017	Certificate Course "Photoshop Primer"	24	Editing photos using this unique software was understood	View
30.	Sept. 14, 2017	Participation of the Computer Science Department in Bequest 2017	20 teams	Anter-Collegiate fest "Bequest" made the student get acquainted with organizing, leadership, sportive participation skills	View
31.	Sept. 5, 2017	Visit to Shree Devi College of Technology	55 students	The students through this exhibition learnt the skills of innovative preparation of digital equipment and the coding and	View

				the design that goes within it.	
32.	Aug. 31, 2017	"Computer Hardware -The Driving Force": Dept. of Data Processing	30	Learnt the concepts of Computer Hardware	[View](#)
33.	Aug. 18, 2017	Terabyte-The Digital Hub Inauguration	55	The students became members of this club and learnt the use of GOOGLE APPS like google forms, sheets, slides, sites, classroom etc;	[View](#)
34.	July 21, 2017	Inter-Collegiate Competition for PowerPoint Presentation	28 Teams	The students of other colleges were given a chance to show their presentation skills so the the shortmings in presentation by our students could be enhanced.	[View](#)
35.	July 15, 2017	Demonstration of Touch Typing-Data Processing	20	Learnt the skills of typing English using Typing Master	[View](#)
36.	January 13, 2017	E-Waste Management	30	The students came to know the importance e-waste management. They understood the methods of disposal of the electronic wastage like monitors, pen drives etc.	[View](#)
