REPORT ON AWARENESS EXHIBITION

AIM:

To conduct an awareness exhibition on account of World Tobacco Day for the 2nd MSc students, 3rd year B.Sc FND and B.Sc Home Science students , Besant Women's College, Mangalore on the topic "***Quit Smoking Today To Live Young Tomorrow***"

OBJECTIVE:

- To bring about greater awareness of the negative consequences of tobacco usage.
- To educate the students on effective ways of quitting tobacco use.
- To encourage students to showcase their creativity

OUTCOME:

- The students gained knowledge about the harmful effects of tobacco usage on an individual's health and life.

REPORT:

The Department of PG Studies in Food Science & Nutrition organized an awareness exhibition cum competition on account of World Tobacco Day on the topic "***Quit Smoking Today To Live Young Tomorrow***" on 31st May 2024 in the M. Sc department at 1.00 pm. The faculty in charge for the competition was Ms. Indira Badya of M. Sc FSN department. A total of 10 teams consisting of 2 students each participated in the event and presented their ideas through creative and artistic flipcharts. On the completion of the event , the students were provided with the link of the feedback & e-certificates were given to the students who had successfully filled the feedback form. The artistic flipcharts were judged by *Ms. Sindhu Rai, former Dietitian, AJ Hospital and Research Centre, Mangalore* & *Ms. Naseera S, Assistant Professor, Besant Women's College* on parameters such as relevance to the topic, originality/innovation, artistic composition and presentation. Of the 10 teams that participated, 1st place was secured by team no 7 - Khadeejath Rilvana AS & Fahiza (2nd M.Sc. FSN), 2nd place by team 5- Neha Rawal & Sathvi KG (2nd M.Sc. FSN) and 3rd place by team 2- Amina Safwa & Manal Azim (2nd M.Sc. FSN), team 3- Aysha Shafa & Salwa Sherin (2nd B.Sc. FND)
